

DAILY TIME WITH GOD

These boxes are here to help you track your daily quiet time with God. Each day as you read the Bible, God's letter to you, ask Him by prayer to show you something special for that day.

One way to find things God is showing is to think about SPACE.

- (S) a SIN to avoid
- (P) a PROMISE to claim
- (A) an ATTITUDE to adjust
- (C) a COMMAND to obey
- (E) an EXAMPLE to follow

Each day, write down what God shows you (you won't have all letters of SPACE everyday) and what your response, or what you are going to do, to what God showed you.
